SMB 112

SMB Plug to BNC Male Cable

[\[+\] Enlarge Picture](#)

Starting at **\$ 100** ([view pricing options](#))

- Double-shielded for high noise immunity
- 50 characteristic impedance

[Overview](#) [Pricing](#) [Services](#) [Resources](#)

The National Instruments SMB 112 is a durable double-shielded SMB plug to BNC male cable for use with measurement or generation devices such as NI signal generators. The increased shielding of the SMB 112 offers better noise immunity performance than the SMB 110 cable.
