CTH Series Stainless Steel Containers

CTH Series Containers achieve an air/water-tight seal with a clip-down lid with removable platinum-cured silicone gasket. Available in sizes CTH-18 to CTH-47H (4 – 100 liters), this container has a seamless sanitary interior with radiused bottom-corners. CTH containers are constructed from 316L or 304* stainless steel and come with standard 12 Ra or better finish and hollow side-handles.

Options include alternative gasket materials (EPDM, Viton®, BUNA-N) and electropolished finish. Exact-fit KM Series dollies are available for size CTH-30 through CTH-47H containers.

- » Constructed of type 316L stainless steel
- » Clips and handles constructed of type 304 stainless steel
- » Air/water-tight seal with clip-down lid and platinum-cured silicone gasket
- » 12 Ra finish standard
- » Seamless sanitary interior and exterior
- » Side handles for lifting
- » Options include electropolished finish EPDM, Viton®, Teflon®, BUNA-N and silicone gasket
- » Electropolished finish (12 Ra or better) available

| Model # | Vol. Nominal | | Vol. Actual | | ID | | H | | Thickness | Weight | |
