Artisan Scientific Corporation dba Artisan Technology Group is not an affiliate, representative, or authorized distributor for any manufacturer listed herein.

Electropulsators

In the early days of bacterial electrotransformation, some groups designed their own set-ups. This is not a good approach nowadays. Several companies market specifically designed electropulsators. Their technical specifications are briefly reported in Table 1. Three categories can be discriminated.

Table 1.

A- Low cost Electropulsator					
Company	Model	Power supply	Voltage range (V)	Decay time (ms)	cuvette
BTX	Transporator	not provided	0-2500	5	single use
BTX	Transporator plus	provided	0-2500	5	single use
BTX	ECM 395	provided	300-3000	5	single use with PEP

Artisan Technology Group is an independent supplier of quality pre-owned equipment
