Rackmount Power Management

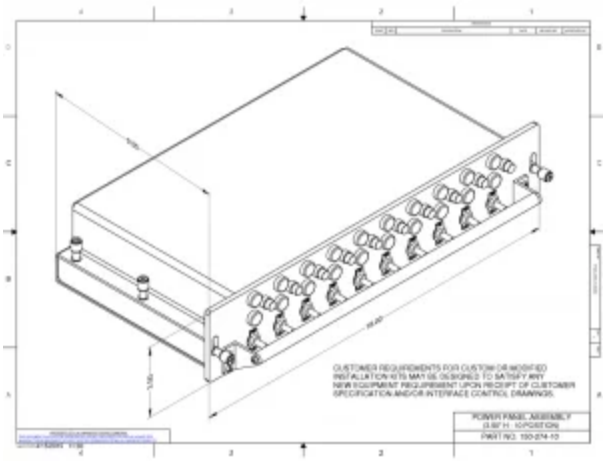

Our rackmount power panels and strips conveniently provide power to your network components and are specifically designed to fit within racks and enclosures; some taking up as little as 1U of rack space. In addition to power outlets, many also function as surge protectors to defend against power spikes and surges. Our selection includes both horizontal and vertical mounting options.

Power Panels

Features & Specifications:

- Available in 8, 10 or 12-position circuits; all include a switch guard
- Accommodates 10 Amp fuses
- Power rating: 120 volts, 5 Amp
- Advanced surge protection to 170V, 15KW
- Chassis: 19″ x D” varies by number of positions x 3.5″
- Compliant with ECCN (US) EAR 99

Standard part number: 150-274-X

Power Strips
