Stock and custom-designed retractable Power & Data cable reels

AMETEK®
HUNTER SPRING PRODUCTS

AMETEK Hunter Spring has been a leading manufacturer of electrical retractable cord reels for medical, network and general applications for over 50 years. As a supplier to many of the world's leading electronic and medical OEMs, we meet exacting specifications in critical applications with our legacy steel reels, and now our newly designed DuraReel™. Contact our Sales Department to discuss your unique application today!

7.5" PLASTIC MEDICAL CORD REELS

Our DuraReel™ plastic power cord reel is specifically designed for medical applications. All contact surfaces (housing, ball stop, retractable cord and plug) have been molded with an antimicrobial additive to protect the cord reel from mold, mildew and odor. The antimicrobial additive will not wash off or diminish over time. The surface of the reel is smooth and easy to clean.

- *Surface protected by antimicrobial additive*
- *ETL Certified to UL355 & UL60601-1*
- *Heavy-duty 14/3 hospital-grade cord*
- *Durable high-impact plastic case*
- *Retractable cord length 10' (standard)*
- *Threaded inserts for easy mounting*

Color: White/grey (as shown)

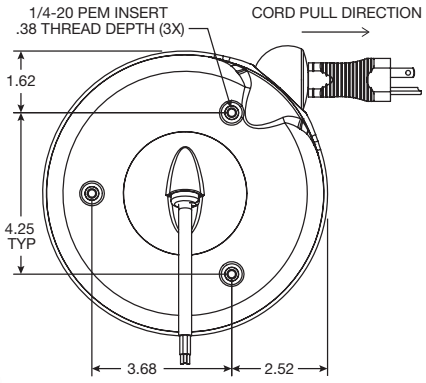

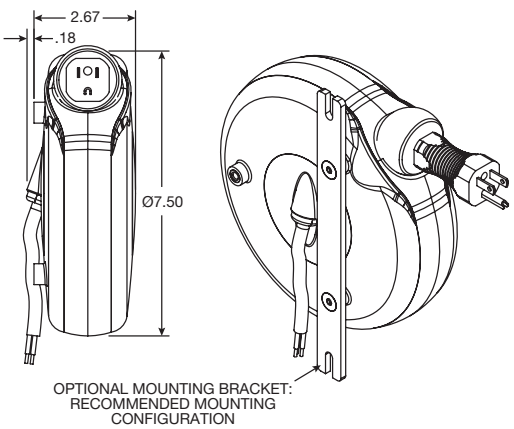

7.5" PLASTIC DATA CORD REELS

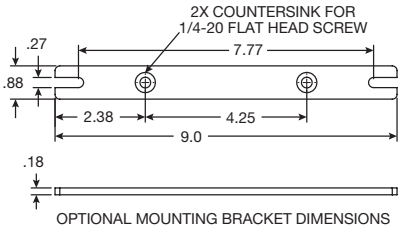

Our plastic data cable reels are lightweight and stylish and can be used in many different applications. These reels can accommodate various types of retractable network/data cables at 15' retracting and 3' fixed cord lengths. Please contact our Sales Department to discuss your unique custom applications.

- *CAT5E (unshielded)*
- *CAT6 (unshielded)*
- *Audio 3.5 mm*
- *VGA*
- *VGA with Audio*
- *USB (10' max)*

Color: Black (as shown)

6.5" & 9" STEEL POWER & DATA CORD REELS

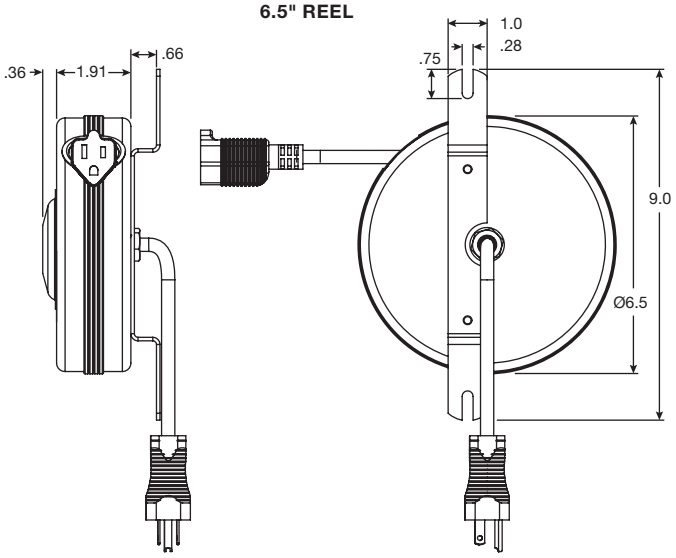

Our steel cord reels are available in multiple configurations to meet your specific application. These reels are ideal for medical equipment, computer/AV carts and industrial applications. Multiple mounting options are available. Contact our Sales department for a list of applicable UL/CSA and/or IEC approved reels.
