Products

Standard Air Cylinders

- The "Original", with a "mirror finish" 304 stainless steel body, double-rolled end caps, sintered bronze rod bushing, Buna N "U" cup seals and our specially formulated HT-99 lubricant.
- Bore sizes: 5/16", 7/16", 9/16", 3/4", 7/8", 1-1/16", 1-1/4", 1-1/2", 1-3/4", 2", 2-1/2", 3". Wide variety of mounting styles. Many standard catalog options: bumpers, extra rod extension, Magnalube® G lubrication, heavy spring, rotated ports, low and high temperature options, magnetic piston, rod wipers, no-thread rod and more!
- Quick delivery of catalog models -- we stock more than 150,000 and can make any catalog model in 5 days or less.
- If you need something a bit different than what's in the catalog, call us! More than half of our business is "special" cylinders that we designed for specific applications.
