Original Line Cylinders

Since 1957, Bimba's Original Line cylinder has been the industry standard for inexpensive, non-repairable, stainless steel body air cylinders. Our "Original Line" cylinders have earned a reputation as hardworking, long-lasting performers.

The Benefits of the Original Line Include:

- Unrivaled selection with more bore sizes, mounting styles and options than any other company
- Fast service — many models and sizes are kept in stock for immediate delivery
- Worldwide availability through local stocking distributors
- Custom-design capabilities for your specific needs
