VIDAS® 30

Multiparametric immunoassay system

VIDAS® is a **reliable** and **easy-to-use, automated benchtop immunoanalyzer**. Based on the enzyme-linked fluorescent assay (ELFA) technology, it provides high quality **on-demand** test results.

- Ideal for **batch or single testing**: up to 80 tests per hour
- **Specialty menu** available in single-test ready-to-use format
- **Robust** system: MTBF > 700 days

- Ease of Use
- Flexibility and Security
- Reliable Quality Control
- Specialized Test Menu

VIDAS offers **routine batch or random access testing** for serology, immunochemistry, antigen detection and immunohemostasis. Five independent analytical sections allow you to perform **30 tests simultaneously**. The VIDAS PC software enables **easy test launch, data management, result storage and bidirectional interface** with the laboratory information system. Simple and flexible, VIDAS facilitates lab workflow with a simple answer to complex needs.

Ease of Use

- Simple steps
    1. Patient ID acquisition & sample distribution
    2. Load SPR® and reagent strip
    3. Press START key

- Just ‘Load and Go’
- Easy access to patient files
- **Specific management of emergency tests**
- Workflow optimisation through **bidirectional connection**
- User-friendly graphic interface

Flexibility and Security

- **Batch or single testing** - all VIDAS assays are in single-dose format
- Simultaneous processing of different parameters
- Bar-code identification of patients and reagents
- Data saved on CD-Rom
- Events recorded in real time

Reliable Quality Control

- Management of internal and external controls
- Activation of "Westguard Rules"
- Statistical data
- Levey-Jennings graphical presentation
- Access to myQC internal quality control solutions

Specialized Test Menu

- Specialty menu in single-test format for the diagnosis of sepsis, infectious diseases, and pregnancy
- On-demand testing: 1 patient, 1 test, 1 result
- Ready-to-use reagents
- All components needed for the test included in the kit: only 1 order reference per test
- Rapid results: from 17 to 90 minutes

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
