

ARTISAN®
TECHNOLOGY GROUP

Your **definitive** source for quality pre-owned equipment.

Artisan Technology Group
(217) 352-9330 | sales@artisantg.com | artisantg.com

Full-service, independent repair center
with experienced engineers and technicians on staff.

We buy your excess, underutilized, and idle equipment
along with credit for buybacks and trade-ins.

Custom engineering
so your equipment works exactly as you specify.

- Critical and expedited services
- In stock / Ready-to-ship
- Leasing / Rentals / Demos
- ITAR-certified secure asset solutions

Expert team | Trust guarantee | 100% satisfaction

Standard Fiber Bragg Grating for 1300/1500nm range

A wide range of very precise fiber gratings are available from **BRAGG Photonics Inc.** Fiber Bragg gratings in the 1550 and 1300 nm are now available, off the shelf, in standard configuration. These gratings are ideally suited for a wide variety of telecommunication and sensor applications.

Our gratings are fabricated in a fully licensed, state-of-the-art production facility. E-beam generated Phase Masks are used to ensure precision and repeatability.

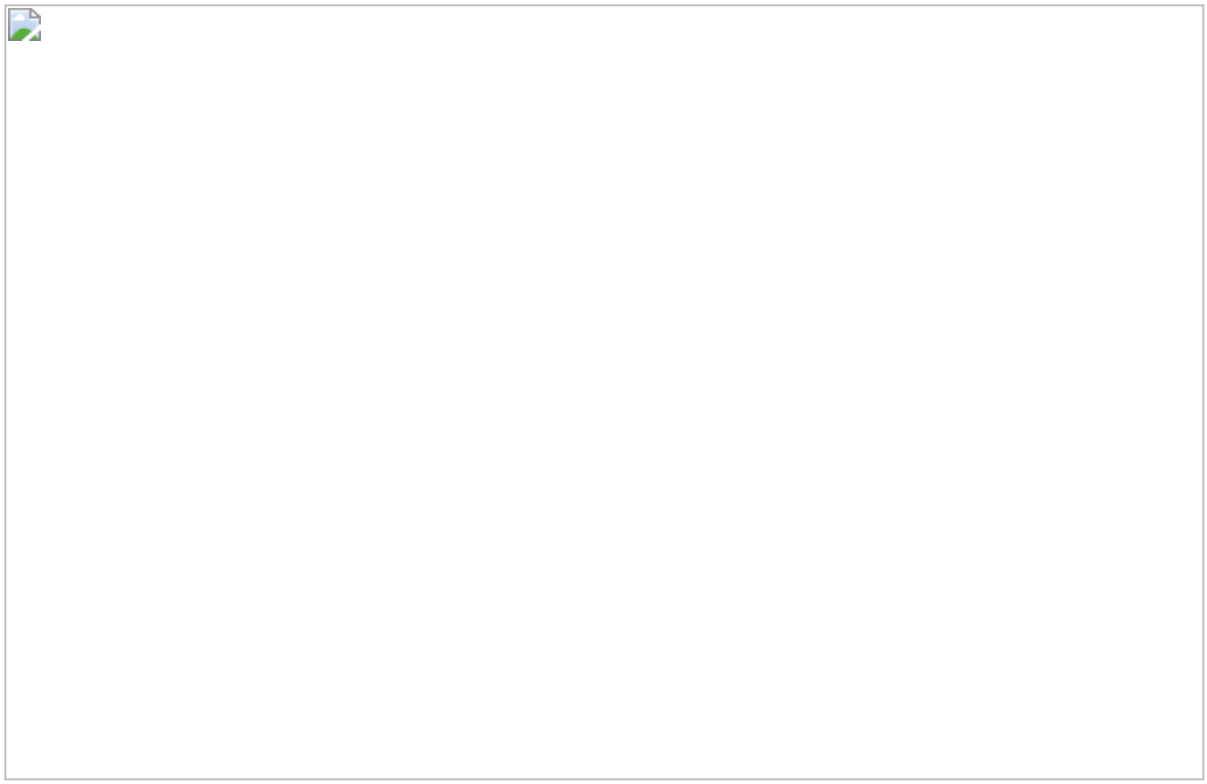

All fiber Bragg gratings are fully tested to assure highest quality standards and are guaranteed to meet or exceed the specifications. Continuous product development, commitment to quality and total customer satisfaction has made **BRAGG Photonics Inc.** the world leader in fiber Bragg grating technology.

As a volume manufacturer we can meet all your present and future needs, from prototype development to full product manufacturing.

Fully licensed source
Standardized product
Available in 1nm wavelength intervals
High reflectivity
Same day delivery
Volume capability
Full engineering support

1. Other wavelengths available on custom basis
2. Tighter tolerances available on custom basis
3. These parameters are measured only on statistical samples
4. Connectors are optional and are charged separately

All specfifcations subject to change without notice.

For more information, please contact us or one of our International Distributors.
