Stainless Steel Perforated Tray for Bransonic 5500/800 Series, 100-410-166

~~$0.00~~ $154.00

Stainless Steel Perforated Tray for Bransonic 5500/800 Series, 100-410-166. Bransonic accessories are designed to maximize the effectiveness of your Bransonic baths. It is important that parts do not rest on the bottom of the bath, as it can inhibit the ultrasonic activity and possibly damage the unit. A variety of perforated trays, mesh baskets, beakers, and support racks give you the option of direct or indirect cleaning. All five models come with covers to allow the cleaning bath to heat up more quickly.

Why buy from an Authorized Distributor?

AUTHORIZED DISTRIBUTOR BRANSON

Stainless Steel Perforated Tray for Branson 5500/5800 SeriesBenchtop Ultrasonic Cleaners, Part No: 100-410-166

Stainless steel perforated tray for Bransonic 5500/5800 series bench-top ultrasonic cleaners. It is designed to maximize the effectiveness of your Bransonic baths. It is important that parts do not rest on the bottom of the bath, as they can inhibit the ultrasonic activity and possibly damage the unit. The perforated tray gives you the option for direct cleaning but without laying the parts directly in the ultrasonic bath and this way it extends the life of your equipment.

Features;

- Made of stainless steel
- Suspends parts using a perforated tray
- Permits sound waves to penetrate directly to the parts
- Built-in handles specially designed to prevent the tray from touching the tank bottom
