DATASHEET

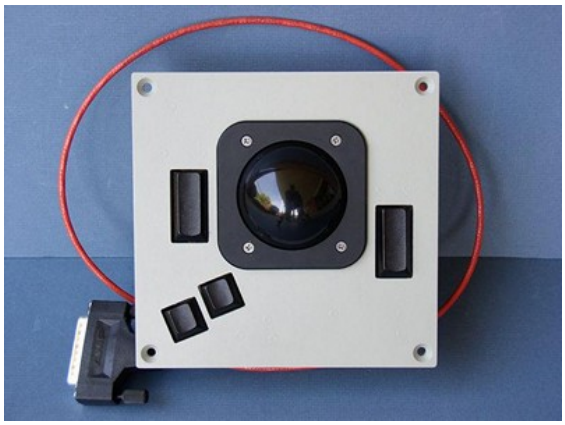

Description Gallery

Cortron offers a wide variety of high reliability, high precision trackballs designed to meet the harshest industrial and military environments. Ideal for critical applications such as Air Traffic Control, Weapons Systems and Tactical Field operations where continuous long-term cursor control is required and reliable performance is paramount. Standard ball sizes include 1”, 1 ½”, 1 3/8”, 2” and 2 ½” trackballs with and without integral button ::el designs. The unique ergonomic design of the DuraTrackball promotes maximum :erator efficiency by significantly reducing the key stroking movements and
