Infinity PS250 power supply unit (PS250)

The following diagram shows the bottom of the PS250.

A Infinity network connectors

B Nurse call connector

C Export protocol connector

D Power cable connection

E Two interchangeable system cable connectors – one for the M540, one for the Cockpit

F Network connection LEDs

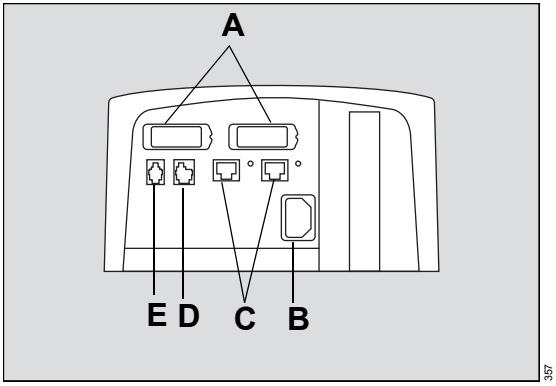

The front of the PS250 has the following two LEDs:

– Power mains – lights up green when the device is connected to AC power.

– Battery indicator – yellow LED that lights up briefly during startup or fault conditions such as a faulty battery.
