Balloon Safety & Care:

- The average vehicle holds about 24 inflated balloons and they're best stored in the back seat.
- Balloons look their best at room temperature – keep them warm on cool days and cool on warm days.
- Inhalation of helium can be harmful. Never breathe in helium.
- Uninflated or broken balloons can create a choking hazard. Keep an eye on your little ones.
- After your party properly dispose of uninflated balloons.
- Do not release balloons into the air. Help keep balloons out of our waterways and powerlines.
