HAAKE Phoenix II P1-C25P Refrigerated Bath

The HAAKE Phoenix II refrigerated circulator baths are the most user-friendly baths available. You can program these units within minutes in any of six languages!
· Tailored performance: Phoenix units sense your application needs and automatically adapt for optimal results
· Wide temperature range to meet your application needs (down to -28°C)
· Fast cooling with 300W gets your experiments going faster

Product Detail

This refrigerated circulator features a wide temperature range, high cooling capacity plus an especially powerful pressure/suction pump. A revolutionary energy management system for the CFC-free cooling circuit ensures optimum energy savings; robust design using high grade stainless steel; bath is equipped with drain opening; user-re-settable, adjustable over-temperature cut-out and low liquid level protection; direct dialogue on LCD-graphic display; FuzzyStar-control with neural adaptation using fuzzy logic written into a 16-bit processor for ultra-robust temperature control; display resolution selectable between 0.1 and 0.01 deg C; RTA = Real-Temperature-Adjustment. User-adjustable correction factor to meet ISO 9004; alarm indication by FIS = Fault-Identification-System. The reason for any malfunction is clearly displayed; RS 232C interface as standard; built-in ETC (External Temperature Control) with a connection for an external Pt 100 sensor; temperature range: -28 to 150 deg. C; bath volume 4.5 l.

Product#	Price	Voltage	
440-0251	-	230 V	SELECT
440-0252	-	115 V	SELECT

Specifications:

Bath volume :	max. 4.5 L
Cooling capacity at 20°C :	300 W
Heater capacity 115V:	1.2 kW
Heater capacity 230V:	2 kW
Temperature accuracy:	+/- 0.01 K
Working temperature range :	-28 to 150°C

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
