H-Series Portable Meters

The H-Series handheld meters are dual-technology pH (non glass ISFET and traditional glass). These rugged meter systems showcase a large LCD display with LED backlight, and provide accurate measurements of pH (ISFET or glass), mV, Temperature, ORP, and ISE parameters. The ultra-modern waterproof handheld meters are engineered to give years of reliable service in the most difficult of applications.

There are no products available for this product family.

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
