IN9210 Rack-Mountable DC Power Supply

Tel 714. 921. 4100
Fax 714. 921. 4160

FEATURES

- Single Power Supply Powers Up to Ten Products with a Cumulative Current of 3 Amps
- 12VDC Regulated Power Supply - Compatible with Products Which Use a 9VDC or 12VDC Unregulated External Power Supply
- Phoenix Brand Captive Screw Terminals for Output
- Switch Mode Transformer for Worldwide Compatibility: 90-260VAC ; 47-63 Hz

The **IN9210** is a rack mountable DC power supply for the **IN2111Q / IN2111FT / IN2111F8 / IN2114 / IN2114F8 / IN2114M** installation interfaces and other products which use an external 9VDC or 12VDC power transformer. The **IN9210** has 10 Phoenix brand 2-pin connectors for DC output and can power up to 10 products with a cumulative current of up to 3.0 amps.

Clean Up Your Equipment Rack - The **IN9210** promotes a clean equipment rack for installations using several products with external DC transformers since it can eliminate up to 10 "wall wart" power supplies.

2-Conductor Power Cable - The **IN8500** is a 2-conductor shielded power cable that connects the **IN9210** power output to the installation interface's power input. **IN8500** cable is available in bulk rolls. For installer convenience, the **IN8510** power cable is available. This 10' long power cable is designed for Inline products with a round DC power input connector and comes pre-terminated with an **IN9318** 2-pin Phoenix connector and an **IN9305** DC power plug.

Universal Power Supply - The **IN9210** is a high efficiency switch mode power supply that operates worldwide with voltages from 90-260V.

Rack Mountable - Two **IN9210** can be rack mounted side-by-side in a 2U space using an **IN9081** rack shelf. A single **IN9210** may be rack mounted using an **IN9081** rack shelf and an **IN9085** blank panel.

SPECIFICATIONS

POWER:

Power Output Connectors:	(10) 2-Pin Captive Screw Terminal
Output Voltage:	12 Volts DC - Regulated
Max. Output Current:	3 Amps
Power Supply:	Internal Universal: 90 to 260 VAC; 47 to 63Hz

GENERAL:

Dimensions:	3.4" x 8.5" x 4.4" / 8.6cm x 21.6cm x 11.2cm
Shipping Weight:	4 lbs. / 2 kg
Product Weight:	2.2 lbs. / 1 kg
Included Accessories:	(10) IN9318 2-Pin Male Captive Screw Connector
Regulatory Approvals:	UL1950, CAN/CSA-22.2 No.950, Third Edition CE: EN55022 (1987), EN50081-1 (1991), EN50082-1 (1992 and 1994), EN60950-92
MTBF:	150,000 Hours

MTBF calculated per MIL-HDBK-217D, parts count method, benign environment, ground, fixed

Artisan Technology Group - Quality Instrumentation ... Guaranteed | (888) 88-SOURCE | www.artisantg.com

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
