CUSTOM CABLES

Economy Molded D-Sub Cable, DB9 Male / Female, 5.0 ft

L-com's CSM family of D-sub cable assemblies offer solid performance at economical prices. Fully shielded throughout the entire cable to prevent against data corrupting EMI/RFI. Molded backshells provide superior strain relief while robust 26 AWG conductors are wired straight through for ease of compatibility. Custom lengths and pinouts are available with modest minimum requirements.

Features

- 360 degree fully shielded for protection against EMI/RFI
- DB9 male to female connectors; lengths range from 1.0 ft to 50 ft; color is gray
- Gold plated contacts provide reliable connections with repeated mating cycles
- Hex nuts on female connectors are removable to expose 4-40 machine screws
- Wired straight through for extending serial devices/peripherals

Application

- Data Networking
- Test and measurement applications
- Uninterruptible power supply communications
- RS-232 serial communications
