LA-MAN-DRY

SUPERSTAR .01 MICRON COALESCING FILTER

Extractor Dryer

.01 Micron Filter

The La-Man Superstar .01 Micron Coalescing Filter, is the optimum choice for airline protection. The coalescing filter removes dirt, water, oil, and reduces oil vapor. The system provides clean, dry; oil free air for your application.

FEATURES:

5 Micron depth filter with automatic drain
.01 micron coalescing and oil vapor absorption filters
Differential Pressure Gauges to indicate filter conditions

SPECIFICATIONS:

Maximum Pressure	250 PSIG
Maximum Temperature	120 Degrees F
Air Flow Capacity	35 SCFM
Filtration	.01 Micron

INSTALLATION:

Install the Superstar .01 Micron Coalescing Filter as close as possible to the point of use for best performance. The filters must be installed in the up-right position for proper drainage.

OPERATION:

During system operation, inspect differential pressure gauges to monitor filter cartridge conditions. When gauges are red in color, replace the filter cartridges. Turn off airline when not in use.

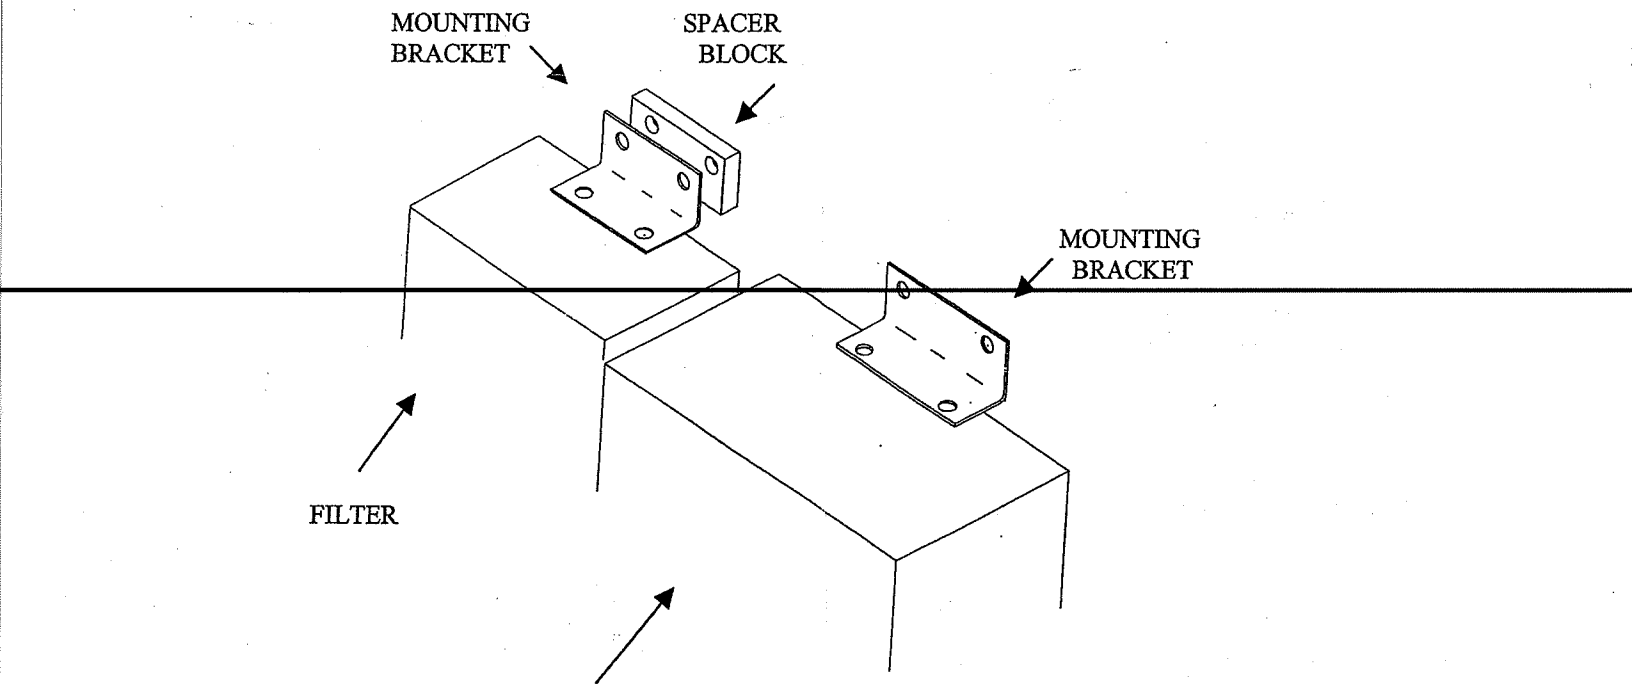

Artisan Technology Group - Quality Instrumentation ... Guaranteed | (888) 88-SOURCE | www.artisantg.com

MAINTENANCE:

WARNING: USE PERSONAL PROTECTIVE EQUIPMENT TO PREVENT EYE INJURY WHEN SERVICING THIS UNIT.

WARNING: ALWAYS TURN OFF AIR SUPPLY AND BLEED AIR PRESSURE BEFORE SERVICING THIS UNIT OR INJURY COULD RESULT.

1. Installation MUST NOT be at the compressor sight. Install the filters as close as possible to the machinery or air tools being used.
2. Replace the 3rd and 4th stage cartridges every 6 months (Depending on airline conditions). If at any time the differential pressure gauge indicators turn red in color, the elements need servicing.
3. Loosen the bolts on the top of the manifold enough to allow the cartridges to move freely. Remove one corner bolt. Slide out old cartridges.
4. Slide in the new cartridges (3rd stage under the inlet side) with the arrows pointing up.
5. Replace the corner bolt and tighten in an "X" pattern to 50 Inch Pounds.
6. Slowly pressurize the unit and check for leaks.
