JUNIOR FOOT SWITCH

LINEMASTER®
AMERICA'S FOOT SWITCH LEADER

The Junior foot switch has an ergonomic design that the end user can appreciate. A well constructed cast aluminum cover and base offer a robust foot switch that is also compact and light enough to be easily moved around. This sleek design helps minimize operation fatigue that may be experienced with other designs. Multi-pedal options are available upon request and are used in various applications ranging from soft serve ice cream service to air traffic control communication. Only from LINEMASTER® - American made innovation at work.
