TREADLITE II

FOOT SWITCH

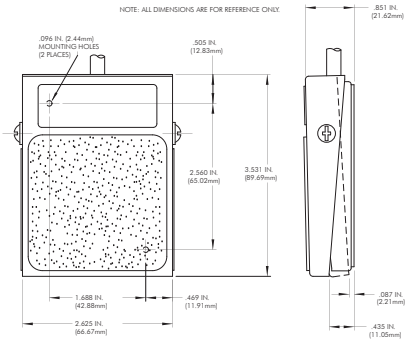

The Linemaster Treadlite II offers reliable, high quality, long-life performance. The rugged formed steel low profile housing ergonomically helps reduce operator fatigue. The non-skid cover and base pads provide for a sure and stable actuation. Available as a single, twin, triple and a wide range of OEM model variations. Momentary and maintained functions are offered in a variety of models. The Treadlite II is also offered watertight with a Stainless Steel housing providing the added benefits of corrosion resistance, light weight strength, hygienic properties and aesthetic appeal. Full and Oversized guards are available for added protection.
