ARTISAN®
TECHNOLOGY GROUP

Your **definitive** source for quality pre-owned equipment.

Artisan Technology Group
(217) 352-9330 | sales@artisantg.com | artisantg.com

Full-service, independent repair center
with experienced engineers and technicians on staff.

We buy your excess, underutilized, and idle equipment
along with credit for buybacks and trade-ins.

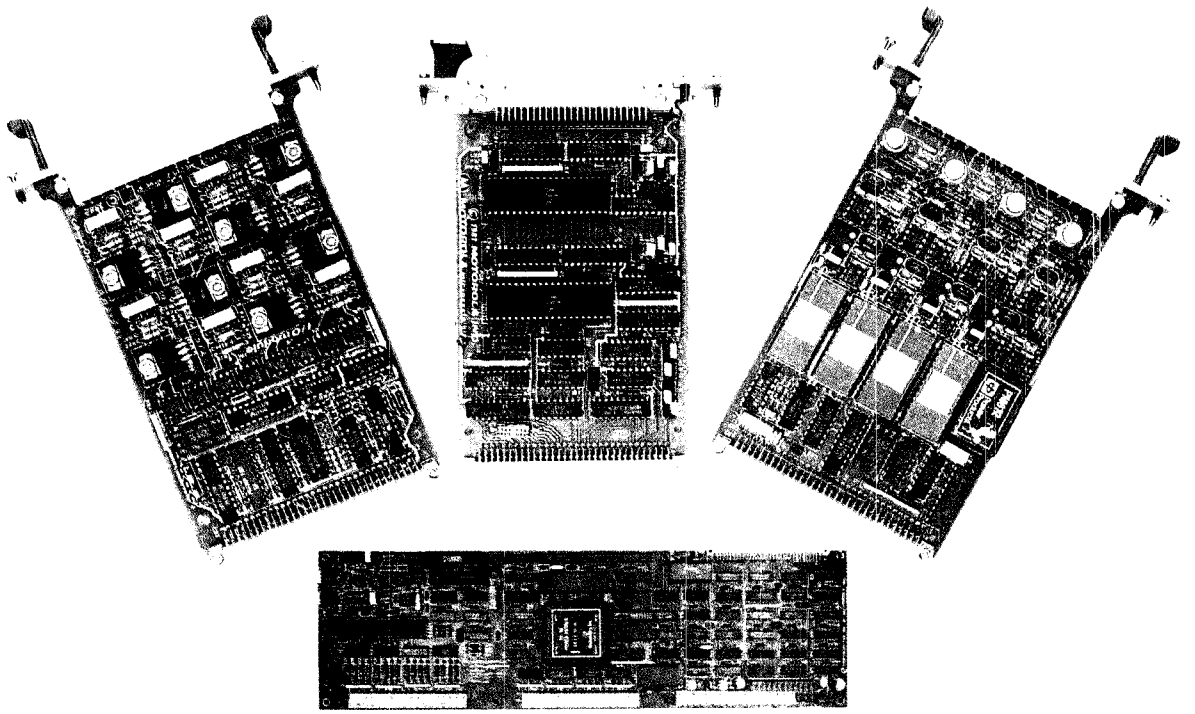

Custom engineering
so your equipment works exactly as you specify.

- Critical and expedited services
- In stock / Ready-to-ship
- Leasing / Rentals / Demos
- ITAR-certified secure asset solutions

Expert team | Trust guarantee | 100% satisfaction

Industrial I/O Modules

12-Bit A/D Converter Module — Provides 8/16 differential/single-ended channels with four full-scale input-voltage ranges of 0.5, 1.0, 5.0, or 10.0 volts. The 16-channel multiplexer will accept additional inputs from up to five MVME601 expander input cards. **MVME600**

A/D Input Expander Module — Adds 8/16 additional differential/single-ended channel inputs to above. **MVME601**

12-Bit D/A Converter Module — Provides four channels of 12-bit D/A conversion with five voltage output ranges of 0–0.5, 0–10.0, ±2.5, ±5.0, and ±10 volts and two current loop output ranges of 4.0 to 20 mA and 10 to 50 mA. **MVME605**

AC Input Module — Monitors status of up to eight 120/240 vac sources; max input is 300 vac with isolation to 2500 vac. **MVME610**

AC Output Module (Zero Crossover) — Provides means of switching eight independent outputs of 120/240 vac; maximum current switching is 3.0 amps rms. **MVME615**

. . . as above, with Phase Angle Control. **MVME616**

DC Input Module — Provides eight input channels for 10-to-60 vdc signal monitoring. Inputs have 2500 volt isolation and provide input overvoltage and transient protection. **MVME620**

DC Output Module — Provides eight 10-to-60 vdc output pairs, each with 2500 volt isolation, inductive load transient suppression, and overcurrent protection, 2.0 amps max. **MVME625**

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
