Right-Angle InfiniBand Connector

Mating Connector for LVDS Custom-Load Boards

- Connector compatible with NI SHB12X-B12X LVDS cable
- Build custom-load boards for LVDS test and measurement
- 12X InfiniBand connector
- Right-angled, surface-mount PCB mounting

Overview | Services | Resources

Use the mating connector to create your own custom-load boards for your LVDS test and measurement systems. The 73-pin right-angle mating connector includes two jack-socket screws. These connectors are fully compatible with NI 656x high-speed digital I/O devices and the NI SHB12X-B12X LVDS cable.
