Order Number	302 006

Description

The PSS1 BMP 5/2 is a module rack designed for the mechanical installation of PSS 3100 modules and for the internal electrical wiring of the safety-related system.
The module rack has a redundant bus for installing failsafe modules such as the PSS1 DI2 or PSS1 DO. Slots 0 and 1 also have a single-channel bus for installing standard modules such as the PSS1 IBS-S PCP or PSS1 DP-S communications modules or, for example, the P9 DI or P9 DO.
