Printer Options

R-Quest supports a range of printing solutions to fit every need. With the low cost of entry, the FlashJet 2 photo-quality inkjet printer provides great looking prints. The TEAC P55 offers the industry's highest quality dye-sublimation prints at a known cost per disc printed.

Also available is the Power Pro 3, a low cost per print thermal printing solution.

All printers are compatible with the TP-5100 Print Station and the entire range of TCP-7000 Series desktop publising systems.
