ARTISAN®
TECHNOLOGY GROUP

Your **definitive** source for quality pre-owned equipment.

Artisan Technology Group
(217) 352-9330 | sales@artisantg.com | artisantg.com

Full-service, independent repair center
with experienced engineers and technicians on staff.

We buy your excess, underutilized, and idle equipment
along with credit for buybacks and trade-ins.

Custom engineering
so your equipment works exactly as you specify.

- Critical and expedited services
- In stock / Ready-to-ship
- Leasing / Rentals / Demos
- ITAR-certified secure asset solutions

Expert team | Trust guarantee | 100% satisfaction

Allen-Bradley

Product Profile

VersaView™ 1200P, 1500P, and 1700P Integrated Display Computers

Bulletin 6181P Series B

NOW PENTIUM 4 BASED!

The Allen-Bradley VersaView 1200P, 1500P, and 1700P integrated display computers combine large TFT displays with industrial computing power capable of performing the most demanding visual interface, maintenance, and basic information applications. Use them as operator interfaces to control machinery or a process; display information necessary to repair, maintain, or start up a process; and gather basic production information for making informed business decisions.

The VersaView 1200P, 1500P, and 1700P computers are available in standard and performance models. The standard models provide the computing power necessary for most visual interface, maintenance, or basic information applications. However, if more computing power is needed, use a performance model.

Advantages

Like all VersaView products, the VersaView 1200P, 1500P, and 1700P computers include the following tools and services to provide reliable computing power on the factory floor:

- Application interoperability
- Technology change management
- Rugged yet cost-effective platforms for today's demanding factory environments
- Factory system recovery CD and partition recovery on hard drive
- Unit level immediate exchange program
- Complete package for immediate startup
- Global sales and support
- Quick delivery

System Components	
A	Slim Floppy Drive
B	Slim CD-ROM or CD/DVD-RW Drive
C	Keyboard/Mouse Port (PS/2)
D	Audio Port
E	2 USB Ports (USB 2.0)
F	10/100 M Ethernet Port
G	3 Serial Ports (4 for non-touch)
H	PCI Slot (half length)
I	Parallel Port
J	Compact Flash Type 2 Slot
K	VESA Mount
