

Artisan Technology Group is your source for quality new and certified-used/pre-owned equipment

- FAST SHIPPING AND DELIVERY
- TENS OF THOUSANDS OF IN-STOCK ITEMS
- EQUIPMENT DEMOS
- HUNDREDS OF MANUFACTURERS SUPPORTED
- LEASING/MONTHLY RENTALS
- ITAR CERTIFIED SECURE ASSET SOLUTIONS

SERVICE CENTER REPAIRS

Experienced engineers and technicians on staff at our full-service, in-house repair center

CPCI-200A

Four Slot IndustryPack Carrier for CompactPCI

Application Information

The CPCI-200A IndustryPack carrier board provides four IndustryPack slots on 6U CompactPCI card. Two versions are available: the CPCI-200A-FP provides shielded 50-pin SCSI2-style front panel connectors for IndustryPack I/O; the CPCI-200A-BP provides IndustryPack I/O via the CompactPCI J4 and J5 connectors. Rear-panel transition modules, the BIO-3 and BIO-4 are available.

The CPCI-200A provides an IndustryPack clock that is software-selectable between 8 and 32 MHz on a per-slot basis. The standard 8 MB memory space is available for each IndustryPack site. High speed 32-bit PCI host address space permits desirable linear mapping and fixed address partitions of memory, I/O and ID spaces for each IndustryPack module.

The CPCI-200A uses a PLX PCI9080 controller as the PCI bus interface chip and Altera FPGA logic, which provides fully configurable PCI interrupt vector space. The PCI bus interface automatically handles 3.3 V or 5.0 V signalling levels.

The CPCI-200A meets the PCI specification and conforms to the VITA-4 IndustryPack Logic Interface Specification. This guarantees compatibility with a wide range of IndustryPacks.

Features

- Four IndustryPack slots on a 6U CompactPCI board
- I/O via four 50-pin SCSI2-style shielded connectors (-FP version)
- I/O via CompactPCI backplane J4 and J5 connectors (-BP version)
- Switchable 8/32 MHz IndustryPack bus for each slot
- Four LEDs for IndustryPack access and four for power monitors on PCB
- Filtered power rails and resettable fuses
- Interrupt acknowledge space for retrieving IndustryPack vectors
- Reduced memory-map version available by special order

Specifications

Form Factor	6U CompactPCI
PCI	PCI Specification, Revision 2.1
PCI Controller	PLX PCI9080
Number of IndustryPack Slots	Four Supports up to two double-wide IndustryPacks
IndustryPack Bus Clock	Switchable 8/32 MHz per IndustryPack slot
IndustryPack Features Supported	I/O space, ID space, memory space, interrupt acknowledge cycles
IndustryPack Memory Size	8 Mbytes per IndustryPack*
Carrier Board Memory Space	64 Mbytes*
IndustryPack Interrupts Supported	Int0* and Int1* for each slot
PCI Bus Interrupts Generated	INTA# only
I/O Access	-FP: One SCSI2-style shielded connector per IndustryPack on front panel -BP: Via CompactPCI J4 and J5
Indicators	One green LED per slot for CPU access on PCB One amber LED per slot for power monitor on PCB
Fuses	Resettable 2.5A @ 20° C for 5 VDC Resettable 2.0A @ 20° C for +/-12 VDC
Dimensions	160 mm x 233 mm
Weight	0.32 kg (0.71 lb)
Power Requirements	+5V VDC, 250 mA typ +12 V DC, 10 mA typ -12 V DC, 10 mA typ Extra power required for IndustryPack modules
Environmental	Operating temperature: 0 to 70°C Humidity: 5 to 95% non-condensing Storage: -40 to +85°C

*A reduced memory map version of the CPCI-200A is available by special order. Contact sales for more information.

Order Information

CPCI-200A-FP	Four slot 6U CompactPCI IndustryPack with front panel I/O
CPCI-200A-BP	Four slot 6U CompactPCI IndustryPack with rear panel I/O
EK-CPCI-200A-FP	Engineering Kit for CPCI-200A-FP. Contains: Printed hardware user manual Floppy disk containing: SDpacK SDK for Windows NT Driver software license agreement Floppy disk containing: Example PCI programming code Bill of materials Assembly drawing Circuit schematic PLX PCI9080 data sheet
EK-CPCI-200A-BP	Engineering Kit for CPCI-200A-BP. Contains: Printed hardware user manual Floppy disk containing: SDpacK SDK for Windows NT Driver software license agreement Floppy disk containing: Example PCI programming code Bill of materials Assembly drawing Circuit schematic PLX PCI9080 data sheet

Associated Products

CPCI-100A-FP	Two slot 3U CompactPCI IndustryPack with front panel I/O
CPCI-100A-BP	Two slot 3U CompactPCI IndustryPack with rear panel I/O
BIO-3	CompactPCI rear panel transition module for CPCI-200A-BP with ribbon headers
BIO-4	CompactPCI rear panel transition module for CPCI-200A-BP for IEEE 1011.11 back panel
C-HD50M-HD50M	Six foot cable HD50 male to HD50 male
IP-TERM-HD50	50-pin screw terminal block with HD50 female
