ARTISAN®
TECHNOLOGY GROUP

Your **definitive** source for quality pre-owned equipment.

Artisan Technology Group
(217) 352-9330 | sales@artisantg.com | artisantg.com

Full-service, independent repair center
with experienced engineers and technicians on staff.

We buy your excess, underutilized, and idle equipment
along with credit for buybacks and trade-ins.

Custom engineering
so your equipment works exactly as you specify.

- Critical and expedited services
- In stock / Ready-to-ship
- Leasing / Rentals / Demos
- ITAR-certified secure asset solutions

Expert team | Trust guarantee | 100% satisfaction

Inductive proximity OsiSense XS & capacitive proximity OsiSense XT

Inductive and capacitive proximity sensors

Inductive proximity sensors (XS range) **and capacitive proximity sensors** (XT range) for non contact sensing of metal objects up to 60 mm.

Best in class quality and immunity to harsh industrial environments.

Part Selector **Overview** **Benefits** **Applications** **Literature**

XS: inductive proximity sensors technology for non contact sensing of metal objects up to 60mm

XT: capacitive proximity sensors technology for non contact sensing of any material up to 20mm

General purpose products

One of the most comprehensive catalogues on the market with

- Standard cylindrical forms: M8,12,18, 30 short & long bodies
- Standard cubic, rectangular and flat forms
- Complying with international standards, CE, UL, CSA, CCC; CTick, TÛV
- With a top international quality IP69K
- With all electric standards including AC/DC power supply
- Available in standard and increased range

Application products

- Cubic and rectangular 40x40 SIL2 with TÜV certifications for safer applications
- Rotation control, Factor 1, ferrous/non-ferrous discrimination, etc.
- Plastic case sensors for double insulation and chemical environment compliance
- Miniature cylindrical format Plain 4 and 6.5mm or M5 for assembly applications, etc.
- Full stainless steel and plastic for dedicated food & beverage applications
- Cubic & full stainless steel cylindrical for Automotive including welding applications
- XT range for detection of any object irrespective of material or conductivity

Artisan Technology Group - Quality Instrumentation ... Guaranteed | (888) 88-SOURCE | www.artisantg.com

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
