Optical Time Domain Reflectometer

TFP2A FiberMaster®

Features & Benefits

- Floppy Disk Drive
- High-Speed Processing
- User-Friendly
- High-Resolution Color Display
- High-Resolution and Long-Range Performance
- Dual Optical Plug-In Capacity Mainframe
- Dual Wavelengths in each Plug-In
- Remote Operation
- Expandable Overview/Window Design
- Language Options
- Customer Configurable Design
- PC Trace Analysis Software
- Dual Trace Capability
- Automatic Event Location and Measurement
- Return Loss Measurements
- High-Resolution Internal Printer Option
- Automatic or Manual Masking
- Keyboard Interface
- RAM Mass Storage
- MS-DOS File Compatible
- Popup Menus
- DC Power Input Option

Applications

- Installation and Acceptance Testing of Fiber-Optic Networks
- Fiber-Optic System Maintenance Testing
- Locating Optical-Cable Faults During Restoration
- Optical System Documentation

FiberMaster® OTDR

Unlike any other OTDR on the market, the FiberMaster® TFP2A sets a high level of performance and flexibility, providing faster, easier, more efficient solutions to fiber-optic network testing requirements.

FiberMaster is equipped to accommodate two dual-wavelength optical plug-in modules at the same time. Fully utilized, this allows testing of virtually any communications network (Telephone, LAN, WAN, CATV) without exchanging modules.

The FiberMaster TFP2A is driven by a high-speed 32-bit processor that delivers clear, concise, accurate waveforms in a fraction of the averaging time taken by other OTDR systems.

Offline waveform analysis and documentation is made easy with the FMTAP™ Trace Analysis Software.

Artisan Technology Group - Quality Instrumentation ... Guaranteed | (888) 88-SOURCE | www.artisantg.com

Artisan Technology Group is an independent supplier of quality pre-owned equipment

Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.
