ARTISAN®
TECHNOLOGY GROUP

Your **definitive** source for quality pre-owned equipment.

**Artisan Technology Group**
(217) 352-9330 | sales@artisantg.com | artisantg.com

**Full-service, independent repair center**
with experienced engineers and technicians on staff.

**We buy your excess, underutilized, and idle equipment**
along with credit for buybacks and trade-ins.

**Custom engineering**
so your equipment works exactly as you specify.

- Critical and expedited services
- In stock / Ready-to-ship
- Leasing / Rentals / Demos
- ITAR-certified secure asset solutions

**Expert team | Trust guarantee | 100% satisfaction**

# Parallel I/O

### LPM/MCM-DLPT
### Dual Printer and Joystick Port

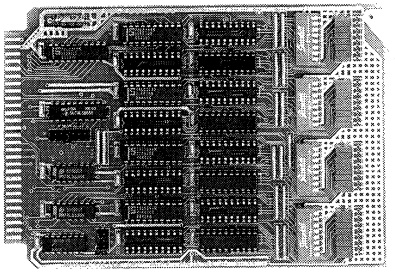

The LPM/MCM-DLPT is a low cost, 2 channel parallel line printer and joystick card for STD Bus DOS and ROM-DOS applications. Either or both of the printer ports can be used as a general purpose parallel I/O port if printer support is not required. Two standard joysticks are supported by the board.

### LPM/MCM-STATUS
### Switch Input and LED Display Card

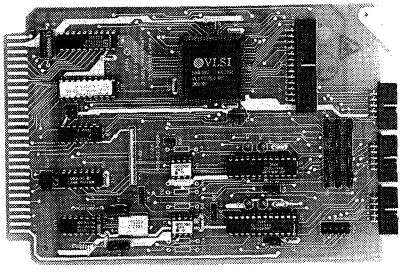

The LPM/MCM-STATUS is a general purpose status and diagnostic cards that provide 32 switch inputs and 32 LEDs on a single card. Both are suitable for applications where a low cost interface is needed for manual switch inputs and visual status for system testing, diagnostics or on-site configuration.

# Serial I/O

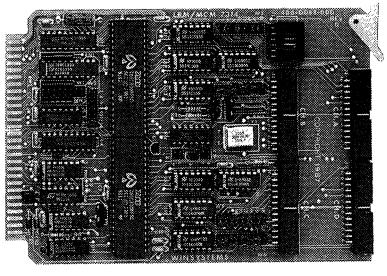

### LPM/MCM-DSPIO
### Dual Serial and Parallel I/O Card

The LPM/MCM-DSPIO is a dual serial 8250 UART and Centronics parallel I/O card. Both serial channels are RS-232/485 compatible. It is ideally suited for applications running DOS programs or languages that require exact register compatible hardware for program execution.

### LPM/MCM-7314
### Quad Multiprotocol Serial I/O Card

The LPM/MCM-7314 is a four channel, full-duplex, RS-232 serial input/output boards that can support multiprotocol asynchronous or synchronous communications. A driver program is available from WinSystems that supports asynchronous operation for both DOS and ROM-DOS applications.

**Artisan Technology Group** is an independent supplier of quality pre-owned equipment

## Gold-standard solutions

Extend the life of your critical industrial, commercial, and military systems with our superior service and support.

## We buy equipment

Planning to upgrade your current equipment? Have surplus equipment taking up shelf space? We'll give it a new home.

## Learn more!
